

June 2010

[www.jerusalemhug.org](http://www.jerusalemhug.org)

The fourth **JERUSALEM HUG** will take place on Monday, June 21st 2010. We invite you to come to Jerusalem and embrace the city as a symbol for peace, love and unity. We will walk hand in hand around the city walls, stand shoulder to shoulder to share our love for Jerusalem and our wish for peace.

The JERUSALEM HUG is a symbol for another way to achieve peace. Everywhere the belief in a political solution of the Middle East conflict has gone down to almost zero. We must find another way and that is the way of the heart. We believe that when we find peace in ourselves and when we are able to forgive, world peace will come closer.

The JERUSALEM HUG gives expression to this wish for change as a concrete statement. Jerusalem stands as a symbol for peace and forgiveness in the world. Let Jerusalem be a city of connection, the heart of the world where *unity in diversity* will be a living fact.

## Pre Hug Picknick

in the **Pope's Garden**, on the slopes of Mount of Olives, above Gethsemane.

**Sunday, June 20, 15:00**

Free entrance. Take food and drinks with you.

During the **PRE HUG PICKNICK** we will share our visions and experiences about peace initiatives, prophecies and light work. We will create a powerful circle of energy and faith to affect the environment with love and unity. And..... we will plant an olive tree.
